Our newest team supports Jericho Way's mission to house people experiencing homelessness by moving donated items into the recipient's new housing. We need a pool of volunteers from which we will periodically form 3-5 person move teams. Moves occur either Tues or Wed mornings and take approximately 2 hours.

We are incredibly grateful for your support for our family from Afghanistan. It has been quite a busy four weeks since they have arrived, but we are pleased to say that we're ready to take the next step and help our family of seven find permanent housing.

We are looking for a rent house in the areas of UALR, Fair Park, or UAMS. They will need to have access to the bus, to jobs, and others in their community have found housing in those areas. \$800 - \$1000 is budgeted for their monthly rent.

If you have an available rental or know of someone who could help us with the search, please contact Betty Jo at 501-366-1476.

As each one has received a gift, use it to
serve one another as good stewards of
God's varied grace.
